GUARDIAN AD LITEM ADVISEMENT FORM

Cause Number: _____ Children's Names: _____

I, the undersigned, understand that as designated in the Guardian Ad Litem (GAL) appointment order in this case, the court has appointed Aaron Robb, Ph.D., LPC-S, program director of Forensic Counseling Services, or Susan Etheridge, LMSW, independent staff member, as GAL for the child(ren) in this case. I understand the GAL is serving as an extension of the court.

I further understand that my meetings and interviews with the GAL are for the purpose of assisting the court and the parties involved in making decisions in the best interest of the child or children involved. I acknowledge that the services of a GAL are intended to be objective, independent, and in conformity with recognized best practices as appropriate to the specific situations of this case.

I understand that the GAL will attempt to obtain relevant information from all sources needed to address the issues before the court. I understand and acknowledge that the GAL will use their professional discretion in making any and all decisions regarding who must be contacted, how extensive those contacts will be, and what information should be obtained and reviewed.

I understand that that although I may be providing payment to the GAL they are working for the court, under court appointment, and their recommendations may or may not favor my position or be something that I am in agreement with. I recognize that I may refuse to participate as directed by the GAL, and acknowledge that the nature and extent of the consequences of any refusal to participate should be discussed with legal counsel.

Retainer: A retainer equal to ten hours of service per party is due in advance. The court may order each participant to pay an equal share of the fees, assign one participant to pay all costs, or order a disproportionate split of the fees for services. At least half of the retainer must be paid in prior to scheduling the first interview and the remainder paid at or before the first interview.

Telephone 972-360-7437 • Fax 940-343-2601

Fees: Fees are charged per hour, rounded to the nearest 15-minute increment, based on the schedule below. This includes all services including reviewing documentation, records management, meetings, correspondences, phone contact, email, legal expenses, consultation with other family service providers, and any other time spent working on the case. I understand I am responsible for any and all fees incurred by the GAL in relation to this case, and any and all work done by the GAL in relation to this case.

Guardian Ad Litem	Base rate (hourly)	Retainer (per party)
Aaron Robb, Ph.D.	\$250.00	\$2500.00
Susan Etheridge	\$200.00	\$2000.00

Payment must be made by check or money order made payable to “Forensic Counseling Services” or “FCS.” No electronic payments are accepted. Services may be charged against the retainer provided that the parties continue to fully replenish the retainer when billed. If a party is late in replenishing the retainer services may be suspended until such time as the retainer is replenished. Should the services no longer be needed, if there is remaining retainer on account for the case refunds will only be issued on request and then only up to the amount of retainer on account. Requests must occur within 60 days of closing the case file. Should one side fail to provide full payment issues of reimbursement may have to be addressed to the court.

Other costs: Each of the parties is responsible for any fees for production of third party records or other information related to services. Costs for copying of records by the GAL and other administrative costs will be deducted from the retainer. Copies of records produced by Forensic Counseling Services are billed at the same fee as charged by the Denton County District Clerk’s office. Time in administrative tasks, including correspondence to parties, attorneys, or reports to the court, is billed at the GAL’s standard hourly fee. Additionally, cancellations of any appointment with less than 72 weekday (Monday through Friday, excluding holidays) hours notice will result in the canceling party being billed the entire service fee. Returned checks will be charged the maximum fee allowable under law.

Travel: There is no additional travel fee for work conducted in Collin or Denton Counties. If it is necessary to travel outside of these counties an additional travel fee may be charged. Travel time is charged per hour, rounded up to the nearest 15-minute increment, at half the base hourly rate (above).

For cases requiring airline or overnight travel I understand that fees are charged for travel time and travel expenses. Such travel time is logged as any time spent between originating airport and hotel and is charged as noted above. Travel expenses include the full expense of first class airfare, a hotel room, and a rental vehicle with gasoline reimbursement or taxi fees. An additional travel retainer will be calculated based on expected travel time and expenses and is due before any travel arrangements will be made.

Unanticipated costs: I understand and acknowledge that unanticipated circumstances may necessitate additional hours of service outside those estimated in the retainer. These include but are not limited to: additional interviews; extensive telephone contact time; additional document review; any and all procedures to assess fresh allegations or issues which were not included in the original retainer estimate; and other case specific factors.

Services not provided: I understand and acknowledge that the GAL is not providing, nor am I requesting, therapy, counseling, or any form of treatment. Should these or other service needs be indicated appropriate recommendations will be made. I understand that the GAL is not providing a social study, mediation, parenting coordination, or any other service outside of his appointment as Guardian Ad Litem.

I understand that the GAL is not an attorney and that if I have any questions regarding legal matters I should consult with an attorney. I understand that it is inappropriate for someone not trained as an attorney to respond to questions concerning legal matters and recognize I cannot request the GAL to do so. I understand I am to provide my attorney copies of any information that I provide to the GAL so that proper discovery procedures may be complied with if necessary. I understand that the GAL will not review any audiotapes or videotapes unless all attorneys have been provided copies.

Notice to Clients: The Texas Behavioral Health Executive Council investigates and prosecutes professional misconduct committed by marriage and family therapists, professional counselors, psychologists, psychological associates, social workers, and licensed specialists in school psychology. Although not every complaint against or dispute with a licensee involves professional misconduct, the Executive Council will provide you with information about how to file a complaint. Please call 1-800-821-3205 for more information.

I understand and acknowledge that the outcome of this process may or may not favor my position or be something that I am in agreement with. I understand that complaints regarding conclusions and recommendations by the GAL must be directed to the court, and that the licensing boards handle only complaints regarding violation of licensing rules and regulations.

I understand that the program director is custodian of records for Forensic Counseling Services. In the event of the program director's death, incapacity, or termination of practice, custody and control of records maintained by Forensic Counseling Services will be turned over to Bradley Craig, LMSW or, in the event of Mr. Craig's death, incapacity, or termination of practice, other successors as selected by the program director.

Insurance coverage: I understand that none of the services provided by the GAL in this case are covered by insurance as the evaluation is for legal (not medical) purposes and is not therapy or any other regulated professional service.
