### **SUPERVISED VISITATION FEES**

One of the ways in which forensic practitioners maintain neutrality and ethical practice is by assuring that fee payment is not contingent on a particular recommendation or outcome. As such fees are due as an advance retainer.

#### **Fees & Retainer**

Responsibility for fees (100% to one party, 50/50 split, or other arrangements) should be specifically addressed in the court order or agreement for services. Current fees are as follows:

Registration.....	\$50.00 per party
Basic staff supervision .....	\$65.00/hour
Administrative activity (orientation, correspondence, etc.).....	\$150.00/hour
Court testimony (per staff member, 3 hour minimum charge) <sup>1</sup> .....	\$250.00/hour

A retainer of \$200.00 is due in advance from **each** of the parties. If one party is ordered to pay for all costs of services, the retainer is \$400.00. Payments may be charged against the retainer provided that the parties continue to fully replenish the retainer when billed.

#### **Personal Supervision by the Program Director**

Dr. Robb is usually only available to provide supervised visits during his normal office hours, beginning at 9:00 a.m., and ending no later than 4:30 p.m., Monday through Thursday.

The current base rate for supervision by the Program Director is \$250.00 per hour. For supervision or any additional administrative work by the Program Director outside of normal office hours, additional multipliers apply.
